# Discover a new, interactive Micro100.com

We're excited for you to experience Micro 100 like never before. The new website functionality allows you to search for tools by tool number, view each product table with ease, and send a shopping cart of selected tooling to your preferred participating distributor to initiate an order.

## Build & Send Shopping Carts

Once logged in, create your own personalized Shopping Carts of Micro 100 tools you're most interested in, then send your cart directly to a participating distributor, or share it with a colleague or purchasing agent.
